Sponsor-a-Pet This Holiday Season

LifeCare Alliance is offering an opportunity to help clients and their four-legged friends this holiday season! Supporters can now Sponsor-a-Pet through our Senior PetCare program. Here are a couple ways you can contribute:

OPTION 1

If you would like to make a monetary donation to sponsor a pet, \$100 will provide food, treats and updated vaccines for a year, but all donation amounts are greatly appreciated!

To make a donation, scan the code at left or visit:

OPTION 2

Purchase items from our Amazon Wish List. Items are sent directly to our offices and volunteers will deliver them to your pet pal! If you are interested in delivering, call us at the number below!
